

How to get to Hao's place

Putting in your GPS:

9245 regents rd, La Jolla, CA 92037

Should take you to the gate closest to me, X marks the spot!

Yellow marks parkable zones, with the closest one being the plaza lot of Regents pizza, Starbucks, Michelins Pita... and opposite is where Rubicon Deli is. If those are full, try executive drive. There is a parking structure marked in orange that you will likely need to pay for, but I can reimburse you for that

This is what the gate looks like,
give me call once you've arrived!
